Frequently Asked Questions

How can I apply for Mari Credit Card?

If you are eligible for application, you may apply for Mari Credit Card with these steps:

For existing Mari Credit Account users who would like to upgrade to Mari Credit Card:

1. Log in to your MariBank app.
2. Tap **Mari Credit Card** on the home screen.
3. Tap on **Get Card Now.**
4. You will be issued with a virtual credit card immediately via the MariBank app upon successful Mari Credit Card application.

For existing MariBank customers who are not Mari Credit Account or Mari Credit Card users:

1. Log in to your MariBank app.
2. Tap **Mari Credit Card** on the home screen.
3. Tap **Apply**.
4. Register for Mari Credit Card digitally with Singpass.
5. You will be issued with a virtual credit card immediately upon successful Mari Credit Card application.

If you are not a MariBank customer yet:

1. Download the MariBank app from the Apple App Store, Google Play Store, or Huawei AppGallery.
2. Register with a valid Singapore mobile number.
3. Apply for Mari Credit Card digitally with Singpass.
4. You will be issued with a virtual credit card immediately upon successful Mari Credit Card application.
5. Regardless of your Mari Credit Card application result, you may be eligible to open a Mari Savings Account.

Applications will be processed instantly or otherwise within 1 to 2 days. We will notify you of your application outcome via MariBank app push notification, SMS, and/or email (subject to your preferred mode of communication).

Your deposits in the Mari Savings Account are insured (both principal and interest) up to S$100,000 in aggregate per depositor by Singapore Deposit Insurance Corporation (SDIC) in Singapore.

For more information, refer to SDIC website here.

How do I earn Shopee Coins / cashback with Mari Credit Card?

There are two ways to earn Shopee Coins / cashback with Mari Credit Card.

1. Shopee spend:

- Earn Unlimited Shopee Coins for eligible transactions using Mari Credit Card Instant Checkout, by selecting Pay In Full as the payment option on Shopee.

- Do note that you will not earn Unlimited Shopee Coins if you choose to pay via

a. Instalments (i.e. monthly instalments)

b. the Credit Card/Debit Card option by manually inputting your Mari Credit Card details

c. Google Pay

d. Apple Pay

- Shopee Coins are earned at the prevailing promotional rates as set by MariBank Singapore Private Limited.

If you choose to pay using the Credit Card/Debit Card, Apple Pay or Google Pay payment method for your Shopee purchases, your transaction will be recognised as card spend (refer to point 2).

2. Card spend:

- Earn Unlimited Cashback on eligible card spend.

- Please refer to the Terms and Conditions Governing Cashback for Mari Credit Card for transactions that are not eligible for Cashback. Local card spend refers to card transactions charged in Singapore Dollars. Overseas card spend refers to card transactions charged in foreign currencies (non-Singapore Dollars), less any applicable interest, fees, and charges such as foreign currency transaction fees.

For instructions on how to view your cashback earned, click here.

For full Mari Credit Card Terms and Conditions, please see visit https://www.maribank.sg/terms-conditions/terms-and-conditions-governing-mari-credit-card.

What is Mari Credit Card Instant Checkout?

Mari Credit Card Instant Checkout

Mari Credit Card Instant Checkout is a MariBank-facilitated seamless and secure payment method which allows you to pay for Shopee purchases directly without having to input your credit card number.

Plus, you can earn Unlimited Shopee Coins when you check out with this payment method. Simply do a one-time linkage with your Shopee account.

For more information on how to link your accounts, read here.

What are the fees and charges for opening and maintaining the Mari Credit Card?

Mari Credit Card does not currently charge any Annual Card Fee or Overlimit Fee.

The applicable fees and charges are

1. Interest and Late Interest on outstanding balances if full repayment is not made by due date

2. Currency Conversion Fee

For more information on Interest, Fees and Charges, read here.

View More
